

## URGENT

### Independent Contractor Tutors Needed Referrals for Many Types of Tutoring Near Home, Virtual or Both Across 7 Northeast Ohio Counties and Beyond!

- Respond only via email [infosessions@northcoasted.com](mailto:infosessions@northcoasted.com) or fax: (440) 542-1504 No telephone calls please!
- Include a copy of your current resume and your CURRENT ODE licensure.
- You will receive an email confirmation of your reservation with Zoom codes.

#### Tutor Qualifications for an NCES Referral

- Ohio Department of Education teacher licensure, BCBA, OT or Speech licensure.
- Basic math or language arts referrals require workshop training (*Explained at Zoom meeting. With COVID, we have a new training structure.*)
- You must be proficient in the subject matter, without needing to “brush up.”

#### A tutoring opportunities

*“This is the most rewarding position I’ve ever had,” E. Thomas, Tutor*

**WHAT:** We provide tutoring to children (all ages) and adults in all subjects. **We are approved providers to the Ohio Autism and Jon Peterson Scholarships.**

**WHEN:** Set your own schedule Monday through Sunday. Many daytime opportunities are available; some after school, evening, and weekend opportunities. (*Tutors work 4 to 20 hours per week, depending on their availability, location and skills.*)

**WHERE:** Virtual, face-to-face and both.

**WHY:** Learn why Zoom familiarity is important. “Learning how to Zoom” workshops are scheduled in August and September.

- # 1 **Licensed ODE Teachers and Intervention Specialists** for academic tutoring to children on the **Jon Peterson and Autism Scholarships**. Experience with special education is highly recommended.
- # 2 **Bachelor Degreed Tutors** to provide academic tutoring to children on the **Autism Scholarship**.
- #3. **Associate Degree or Equivalent Aides** to assist students on the Autism Scholarship.
- #4. **Licensed ODE Intervention Specialists** to supervise/support our Scholarship tutors and clients.
- # 5. **School District Home Instruction: ODE Licensed Teachers and Intervention Specialists**. All subjects needed – priority for high school math and science.
- # 6. **Tutor Basic Language Arts:** phonics, spelling, comprehension (fiction and nonfiction), and writing skills.
- # 7. **Tutor basic math** (computation skills, math concepts, and word problems).
- # 8. **Tutor high school math** (all levels of Algebra, Geometry, Trigonometry, Calculus, Statistics, and Functions) for private clients.
- # 9. **Tutor high school science** (Biology, Chemistry, Physics, Astronomy) for private clients.
- # 10. **SAT and ACT test preparation** – Experience with the ACT and the SAT is required.
- # 11. **Tutor foreign language; Limited Availability** -- Spanish, ESL, French, Italian (German, Latin, and Chinese and others occasionally)
